"Hazardous waste" has the meaning set forth in IC 13-11-2-99(a) and includes a waste determined to be a hazardous waste under IC 13-22-2-3(b).

"Resource recovery system" means tangible property directly used to dispose of solid waste or hazardous waste by converting it into energy or other useful products.

"Solid waste" has the meaning set forth in IC 13-11-2-205(a) but does not include dead animals or any animal solid or semisolid wastes.

(b) Except as provided in this section, the owner of a resource recovery system is entitled to an annual deduction in an amount equal to ninety-five percent (95%) of the assessed value of the system if:

- (1) the system was certified by the department of environmental management for the 1993 assessment year or a prior assessment year; and
- (2) the owner filed a timely application for the deduction for the 1993 assessment year.

For purposes of this section, a system includes tangible property that replaced tangible property in the system after the certification by the department of environmental management.

(c) The owner of a resource recovery system that is directly used to dispose of hazardous waste is not entitled to the deduction provided by this section for a particular assessment year if during that assessment year the owner:

- (2) is subject to an order or a consent decree with respect to property located in Indiana based upon a violation of a federal or state rule, regulation, or statute governing the treatment, storage, or disposal of hazardous wastes that had a major or moderate potential for harm.

(d) The certification of a resource recovery system by the department of environmental management for the 1993 assessment year or a prior assessment year is valid through the 1997 assessment year so long as the property is used as a resource recovery system. If the property is no longer used for the purpose for which the property was used when the property was certified, the owner of the property shall notify the county auditor. However, the deduction from the assessed value of the system is:

- (1) ninety-five percent (95%) for the 1994 assessment year;
- (2) ninety percent (90%) for the 1995 assessment year;
- (3) seventy-five percent (75%) for the 1996 assessment year; and
- (4) sixty percent (60%) for the 1997 assessment year.

Notwithstanding this section as it existed before 1995, for the 1994 assessment year, the portion of any tangible property comprising a resource recovery system that was assessed and first deducted for the 1994 assessment year may not be deducted for property taxes first due and payable in 1995 or later.

(e) In order to qualify for a deduction under this section, the person who desires to claim the deduction must file an application with the county auditor after February 28 and before May 16 of the current assessment year. An application must be filed in each year for which the person desires to obtain the deduction. The application may be filed in person or by mail. If mailed, the mailing must be postmarked on or before the last day for filing. If the application is not filed before the applicable deadline under this subsection, the deduction is waived. (f) Before July 1, 1995, the department of environmental management shall transfer all the applications, records, or other material the department has with respect to resource recovery system deductions under this section for the 1993 and 1994 assessment years. The township assessor shall verify each deduction application filed under this section and the county auditor shall determine the deduction. The county auditor shall send to the department of local government finance a copy of each deduction application. A denial of a deduction claimed under this subsection may be appealed as provided in IC 6-1.1-15. The appeal is limited to a review of a determination made by the township assessor or the county auditor.

(g) Notwithstanding subsection (d), the certification for the 1993 assessment year of a resource recovery system in regard to which a political subdivision is liable for the payment of the property taxes remains valid at the ninety-five percent (95%) deduction level allowed before 1994 as long as the political subdivision remains liable for the payment of the property taxes on the system.

In lieu of providing the statement of benefits required by section 3 or 4.5 of this chapter and the additional information required by section 5.1 or 5.6 of this chapter, the designating body may, by resolution, waive the statement of benefits if the designating body finds that the purposes of this chapter are served by allowing the deduction and the property owner has, during the thirty-six (36) months preceding the first assessment date to which the waiver would apply, installed new manufacturing equipment, new research and development equipment, new logistical distribution equipment, or new information technology equipment or developed or rehabilitated property at a cost of at least ten million dollars (\$10,000,000) as determined by the assessor ~~of who serves the township area~~ in which the property is located.

SECTION 68. IC 6-1.1-12.1-5.9, AS AMENDED BY P.L.193-2005, SECTION 5, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2008]: Sec. 5.9. (a) This section does not apply to:

If the designating body determines that the property owner has not substantially complied with the statement of benefits and that the failure to substantially comply was

not caused by factors beyond the control of the property owner (such as declines in demand for the property owner's products or services), the designating body shall mail a written notice to the property owner. The written notice must include the following provisions:

- (1) An explanation of the reasons for the designating body's determination.

Based on the information presented at the hearing by the property owner and other interested parties, the designating body shall again determine whether the property owner has made reasonable efforts to substantially comply with the statement of benefits and whether any failure to substantially comply was caused by factors beyond the control of the property owner. If the designating body determines that the property owner has not made reasonable efforts to comply with the statement of benefits, the designating body shall adopt a resolution terminating the property owner's deduction under section 3 or 4.5 of this chapter. If the designating body adopts such a resolution, the deduction does not apply to the next installment of property taxes owed by the property owner or to any subsequent installment of property taxes.

(e) A property owner whose deduction is terminated by the designating body under this section may appeal the designating body's decision by filing a complaint in the office of the clerk of the circuit or superior court together with a bond conditioned to pay the costs of the appeal if the appeal is determined against the property owner. An appeal under this subsection shall be promptly heard by the court without a jury and determined within thirty (30) days after the time of the filing of the appeal. The court shall hear evidence on the appeal and may confirm the action of the designating body or sustain the appeal. The judgment of the court is final and conclusive unless an appeal is taken as in other civil actions.

(f) If an appeal under subsection (e) is pending, the taxes resulting from the termination of the deduction are not due until after the appeal is finally adjudicated and the termination of the deduction is finally determined.

SECTION 69. IC 6-1.1-12.4-2, AS ADDED BY P.L.193-2005, SECTION 8, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2008]: Sec. 2. - (2) an annual adjustment under IC 6-1.1-4-4.5.

(g) If an appeal of an assessment is approved that results in a reduction of the assessed value of the real property, the amount of the deduction under this section is adjusted to reflect the percentage decrease that results from the appeal.

(h) The deduction under this section does not apply to a facility listed in IC 6-1.1-12.1-3(e).

SECTION 70. IC 6-1.1-12.4-3, AS ADDED BY P.L.193-2005, SECTION 8, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2008]: Sec. 3. The amount of the deduction that a property owner may receive with respect to personal property located in a county for a particular year equals the lesser of:

- (1) two million dollars (\$2,000,000); or

 - (B) the percentage from the following table:

YEAR OF DEDUCTION	PERCENTAGE
1st	75%
2nd	50%
3rd	25%

(d) If an appeal of an assessment is approved that results in a

reduction of the assessed value of the personal property, the amount of the deduction is adjusted to reflect the percentage decrease that results from the appeal.

(e) A property owner must claim the deduction under this section on the owner's annual personal property tax return. The **township assessor who serves the area in which the property to which the deduction applied is located** shall:

- (1) identify the personal property eligible for the deduction to the county auditor; and

- (1) in the same year that notice of a change in the assessment is given to the taxpayer; and
 - (2) after the time prescribed in subsection (b);

becomes effective for the next assessment date.

(d) A taxpayer may appeal a current real property assessment in a year even if the taxpayer has not received a notice of assessment in the year. If an appeal is filed on or before May 10 of a year in which

the taxpayer has not received notice of assessment, a change in the assessment resulting from the appeal is effective for the most recent assessment date. If the appeal is filed after May 10, the change becomes effective for the next assessment date.

(i) If after the conference there are items listed in the form submitted under subsection (f) on which there is disagreement, the county property tax assessment board of appeals shall hold a hearing. The taxpayer and county or township official whose original determination is under review are parties to the proceeding before the board of appeals. Except as provided in subsections (k) and (l), the hearing must be held not later than ninety (90) days after the official's receipt of the taxpayer's written request for a preliminary conference under subsection (b). The taxpayer may present the taxpayer's reasons for disagreement with the assessment. The county or township official referred to in subsection (a) must present the basis for the assessment decision on these items to the board of appeals at the hearing and the reasons the taxpayer's appeal should be denied on those items. **The county assessor is recused from any action the county property tax assessment board of appeals takes with respect to an assessment determination by the county assessor.** The board of appeals shall have a written record of the hearing and prepare a written statement of findings and a decision on each item not later

than sixty (60) days after the hearing, except as provided in subsections (k) and (l).

(j) If the **county or township assessor official referred to in subsection (a)** does not attempt to hold a preliminary conference, the taxpayer may file a request in writing with the county assessor for a hearing before the property tax assessment board of appeals. If the board determines that the county or township official referred to in subsection (a) did not attempt to hold a preliminary conference, the board shall hold a hearing. The taxpayer and the county or township official whose original determination is under review are parties to the proceeding before the board of appeals. The hearing must be held not later than ninety (90) days after the receipt by the board of appeals of the taxpayer's hearing request under this subsection. The requirements of subsection (i) with respect to:

(1) participation in the hearing by the taxpayer and the township assessor or county assessor; and

(2) the procedures to be followed by the county board; apply to a hearing held under this subsection.

(k) This subsection applies to a county having a population of more than three hundred thousand (300,000). In the case of a petition filed after December 31, 2000, the county property tax assessment board of appeals shall:

(2) have a written record of the hearing and prepare a written statement of findings and a decision on each item not later than one hundred twenty (120) days after the hearing.

(l) This subsection applies to a county having a population of three hundred thousand (300,000) or less. With respect to an appeal of a real property assessment that takes effect on the assessment date on which a general reassessment of real property takes effect under IC 6-1.1-4-4, the county property tax assessment board of appeals shall:

(1) hold its hearing not later than one hundred eighty (180) days instead of ninety (90) days after the filing of the petition; and

(m) The county property tax assessment board of appeals:

(1) may not require a taxpayer to file documentary evidence or summaries of statements of testimonial evidence before the hearing required under subsection (i) or (j); and

If the county auditor determines that the assessed value of the appealed items constitutes at least one percent (1%) of the total gross certified assessed value of a particular taxing unit for the assessment date immediately preceding the assessment date for which the appeal was filed, the county auditor shall send a copy of the notice to the affected taxing unit. Failure of the county auditor to send a copy of the notice to the affected taxing unit does not affect the validity of the appeal or delay the appeal.

SECTION 74. IC 6-1.1-15-5, AS AMENDED BY P.L.199-2005, SECTION 10, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2008]: Sec. 5. (a) Not later than fifteen (15) days after the Indiana board gives notice of its final determination under section 4 of this chapter to the party or the maximum allowable time for the issuance of a final determination by the Indiana board under section 4 of this chapter expires, a party to the proceeding may request a rehearing before the Indiana board. The Indiana board may conduct a rehearing and affirm or modify its final determination, giving the same notices after the rehearing as are required by section 4 of this chapter. The Indiana board has fifteen (15) days after receiving a petition for a rehearing to determine

whether to grant a rehearing. Failure to grant a rehearing not later than fifteen (15) days after receiving the petition shall be treated as a final determination to deny the petition. A petition for a rehearing does not toll the time in which to file a petition for judicial review unless the petition for rehearing is granted. If the Indiana board determines to rehear a final determination, the Indiana board:

(1) may conduct the additional hearings that the Indiana board determines necessary or review the written record without additional hearings; and

(2) shall issue a final determination not later than ninety (90) days after notifying the parties that the Indiana board will rehear the final determination.

If the Indiana board fails to make a final determination within the time allowed under subdivision (2), the entity that initiated the petition for rehearing may take no action and wait for the Indiana board to make a final determination or petition for judicial review under subsection (g).

(b) A person may petition for judicial review of the final determination of the Indiana board regarding the assessment of that person's tangible property. The action shall be taken to the tax court under IC 4-21.5-5. Petitions for judicial review may be consolidated at the request of the appellants if it can be done in the interest of justice. The property tax assessment board of appeals that made the determination under appeal under this section may, with the approval of the county executive, file an amicus curiae brief in the review proceeding under this section. The expenses incurred by the property tax assessment board of appeals in filing the amicus curiae brief shall be paid from the property reassessment fund under IC 6-1.1-4-27.5. In addition, the executive of a taxing unit may file an amicus curiae brief in the review proceeding under this section if the property whose assessment is under appeal is subject to assessment by that taxing unit. The department of local government finance may intervene in an action taken under this subsection if the interpretation of a rule of the department is at issue in the action. A township assessor, county assessor, member of a county property tax assessment board of appeals, or county property tax assessment board of appeals that made the original assessment determination under appeal under this section is a party to the review under this section to defend the determination.

(c) Except as provided in subsection (g), to initiate a proceeding for judicial review under this section, a person must take the action required by subsection (b) not later than:

(1) forty-five (45) days after the Indiana board gives the person notice of its final determination, unless a rehearing is conducted under subsection (a); or

(2) thirty (30) days after the Indiana board gives the person notice under subsection (a) of its final determination, if a rehearing is conducted under subsection (a) or the maximum time elapses for the Indiana board to make a determination under this section.

(d) The failure of the Indiana board to conduct a hearing within the period prescribed in section 4(h) or 4(i) of this chapter does not constitute notice to the person of an Indiana board final determination.

(e) The county executive may petition for judicial review to the tax court in the manner prescribed in this section upon request by the county assessor, the ~~elected~~ township assessor, or an affected taxing unit. If an appeal is taken at the request of an affected taxing unit, the taxing unit shall pay the costs of the appeal.

(f) If the county executive determines upon a request under this subsection to not appeal to the tax court:

(1) the entity described in subsection (b) that made the original determination under appeal under this section may take an appeal to the tax court in the manner prescribed in this section using funds from that entity's budget; and

(2) the petitioner may not be represented by the attorney general in an action described in subdivision (1).

(g) If the maximum time elapses for the Indiana board to give notice of its final determination under subsection (a) or section 4 of this chapter, a person may initiate a proceeding for judicial review by taking the action required by subsection (b) at any time after the maximum time elapses. If:

(1) a judicial proceeding is initiated under this subsection; and

(2) the Indiana board has not issued a determination;

the tax court shall determine the matter de novo.

SECTION 75. IC 6-1.1-15-9, AS AMENDED BY P.L.199-2005, SECTION 11, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2008]: Sec. 9. (a) If the assessment of tangible property is corrected by the department of local government finance or the county property tax assessment board of appeals under section 8 of this chapter, the owner of the property has a right to appeal the final determination of the corrected assessment to the Indiana board. The county executive also has a right to appeal the final determination of the reassessment by the department of local government finance or the county property tax assessment board of appeals but only upon request by the county assessor, the ~~elected~~ township assessor, or an affected taxing unit. If the appeal is taken at the request of an affected taxing unit, the taxing unit shall pay the costs of the appeal.

(b) An appeal under this section must be initiated in the manner prescribed in section 3 of this chapter or IC 6-1.5-5.

SECTION 76. IC 6-1.1-15-10 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 10. (a) If a petition for review to any board or a proceeding for judicial review in the tax court regarding an assessment or increase in assessment is pending, the taxes resulting from the assessment or increase in assessment are, notwithstanding the provisions of IC 6-1.1-22-9, not due until after the petition for review, or the proceeding for judicial review, is finally adjudicated and the assessment or increase in assessment is finally determined. However, even though a petition for review or a proceeding for judicial review is pending, the taxpayer shall pay taxes on the tangible property when the property tax installments come due, unless the collection of the taxes is stayed under IC 4-21.5-5-9 pending a final determination in the proceeding for judicial review. The amount of taxes which the taxpayer is required to pay, pending the final determination of the assessment or increase in assessment, shall be based on:

- (1) the assessed value reported by the taxpayer on the taxpayer's personal property return if a personal property assessment, or an increase in such an assessment, is involved; or
- (2) an amount based on the immediately preceding year's assessment of real property if an assessment, or increase in assessment, of real property is involved.

(b) If the petition for review or the proceeding for judicial review is not finally determined by the last installment date for the taxes, the taxpayer, upon showing of cause by a taxing official or at the tax court's discretion, may be required to post a bond or provide other security in an amount not to exceed the taxes resulting from the contested assessment or increase in assessment.

(c) Each county auditor shall keep separate on the tax duplicate a record of that portion of the assessed value of property that is described in IC 6-1.1-17-0.5(b) **or IC 6-1.1-17-0.5(d)**. "Taxable property" means all tangible property that is subject to the tax imposed by this article and is not exempt from the tax under IC 6-1.1-10 or any other law. For purposes of sections 2 and 3 of this

chapter, the term "taxable property" is further defined in section 6 of this chapter.

"Unadjusted assessed value" means the assessed value of a civil taxing unit as determined by local assessing officials and the department of local government finance in a particular calendar year before the application of an annual adjustment under IC 6-1.1-4-4.5 for that particular calendar year or any calendar year since the last general reassessment preceding the particular calendar year.

SECTION 89. IC 6-1.1-18.5-8 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 8. - (1) incur the bonded indebtedness; or
- (2) enter into the lease.

The department of local government finance may seek recommendations from the local government tax control board established by section 11 of this chapter when determining whether to authorize incurring the bonded indebtedness or the execution of the lease.

(c) The department of local government finance shall render a decision within three (3) months after the date it receives a request for approval under subsection (b). However, the department of local government finance may extend this three (3) month period by an additional three (3) months if, at least ten (10) days before the end of the original three (3) month period, the department sends notice of the extension to the executive officer of the civil taxing unit. (d) A civil taxing unit does not need approval under subsection (b) to obtain temporary loans made in anticipation of and to be paid from current revenues of the civil taxing unit actually levied and in the course of collection for the fiscal year in which the loans are made.

(e) For purposes of computing the ad valorem property tax levy limits imposed on a civil taxing unit by section 3 of this chapter, the civil taxing unit's ad valorem property tax levy for a calendar year does not include that part of its levy that is committed to fund or pay bond indebtedness or lease rentals with an original term of five (5) years in subsection (a).

(f) A taxpayer may petition for judicial review of the final determination of the department of local government finance under this section. The petition must be filed in the tax court not more than thirty (30) days after the department enters its order under this section.

SECTION 91. IC 6-1.1-19-8, AS AMENDED BY P.L.1-2005, SECTION 90, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 8. (a) A school corporation must file a petition requesting approval from the department of local government finance to incur bond indebtedness, enter into a lease rental agreement, or repay from the debt service fund loans made for the purchase of school buses under IC 20-27-4-5 not later than twenty-four (24) months after the first date of publication of notice of a preliminary determination under ~~IC 6-1.1-20-3.1(2)~~, **IC 6-1.1-20-3.1(b)(2) or IC 6-1.1-20-3.5(b)(2), whichever is applicable**, unless the school corporation demonstrates that a longer period is reasonable in light of the school corporation's facts and circumstances. A school corporation must obtain approval from the department of local government finance before the school corporation may:

- (1) incur the indebtedness;
- (2) enter into the lease agreement; or
- (3) repay the school bus purchase loan.

This restriction does not apply to ad valorem property taxes which a school corporation levies to pay or fund bond or lease rental indebtedness created or incurred before July 1, 1974.

(b) The department of local government finance may either approve, disapprove, or modify then approve a school corporation's proposed lease rental agreement, bond issue or school bus purchase loan. Before it approves or disapproves a proposed lease rental agreement, bond issue or school bus purchase loan, the department of local government finance may seek the recommendation of the tax control board.

(c) The department of local government finance shall render a decision not more than three (3) months after the date it receives a request for approval under subsection (a). However, the department of local government finance may extend this three (3) month period by an additional three (3) months if, at least ten (10) days before the end of the original three (3) month period, the department sends notice of the extension to the executive officer of the school corporation. A school corporation may petition for judicial review of the final determination of the department of local government finance under this section. The petition must be filed in the tax court not more than forty-five (45) days after the department enters its order under this section.

~~(d) After December 31, 1995,~~ The department of local government finance may not approve a school corporation's proposed lease rental agreement or bond issue to finance the construction of additional classrooms unless the school corporation first:

- (1) establishes that additional classroom space is necessary; and
- (2) conducts a feasibility study, holds public hearings, and hears public testimony on using a twelve (12) month school term (instead of the nine (9) month school term (as defined in IC 20-30-2-7)) rather than expanding classroom space.

(e) This section does not apply to school bus purchase loans made by a school corporation which will be repaid solely from the general fund of the school corporation.

(f) A taxpayer may petition for judicial review of the final determination of the department of local government finance under this section. The petition must be filed in the tax court not more than thirty (30) days after the department enters its order under this section.

(5) The state board of accounts shall design and, upon request by the county auditor, deliver to the county auditor or the county auditor's designated printer the petition forms to be used solely in the petition process described in this section. The county auditor shall issue to an owner or owners of real property within the political subdivision the number of petition forms requested by the owner or owners. Each form must be accompanied by instructions detailing the requirements that:

(A) the carrier and signers must be owners of real property;

(B) the carrier must be a signatory on at least one (1) petition;

within fifteen (15) business days of the filing of the petition requesting a petition and remonstrance process. The certificate must state the number of petitioners that are owners of real property within the political subdivision.

(c) If a sufficient petition requesting a petition and remonstrance process is not filed by owners of real property as set forth in this section, the political subdivision may issue bonds or enter into a lease by following the provisions of law relating to the bonds to be issued or lease to be entered into.

SECTION 93. IC 6-1.1-20-3.2 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 3.2. **(a) This section applies only to a controlled project that is subject to section 3.1 of this chapter.**

(b) If a sufficient petition requesting the application of a petition and remonstrance process has been filed as set forth in section 3.1 of this chapter, a political subdivision may not impose property taxes to pay debt service or lease rentals without completing the following procedures:

(1) The proper officers of the political subdivision shall give notice of the applicability of the petition and remonstrance process by:

(A) publication in accordance with IC 5-3-1; and

(B) first class mail to the organizations described in ~~section 3-1(1)(B)~~ **section 3.1(b)(1)(B)** of this chapter.

A notice under this subdivision must include a statement that any owners of real property within the political subdivision who want to petition in favor of or remonstrate against the proposed debt service or lease payments must file petitions and remonstrances in compliance with subdivisions (2) through (4) not earlier than thirty (30) days or later than sixty (60) days after publication in accordance with IC 5-3-1.

(2) Not earlier than thirty (30) days or later than sixty (60) days after the notice under subdivision (1) is given:

(A) petitions (described in subdivision (3)) in favor of the bonds or lease; and

(B) remonstrances (described in subdivision (3)) against the bonds or lease;

may be filed by an owner or owners of real property within the political subdivision. Each signature on a petition must be dated and the date of signature may not be before the date on which the petition and remonstrance forms may be issued under subdivision (3). A petition described in clause (A) or a remonstrance described in clause (B) must be verified in compliance with subdivision (4) before the petition or remonstrance is filed with the county auditor under subdivision (4).

(3) The state board of accounts shall design and, upon request by the county auditor, deliver to the county auditor or the county auditor's designated printer the petition and remonstrance forms to be used solely in the petition and remonstrance process described in this section. The county auditor shall issue to an owner or owners of real property within the political subdivision the number of petition or remonstrance forms requested by the owner or owners. Each form must be accompanied by instructions detailing the requirements that:

(4) The petitions and remonstrances must be verified in the manner prescribed by the state board of accounts and filed with the county auditor within the sixty (60) day period described in subdivision (2) in the manner set forth in section 3.1 of this chapter relating to requests for a petition and remonstrance process.

(5) The county auditor must file a certificate and the petition or remonstrance with the body of the political subdivision charged with issuing bonds or entering into leases within fifteen (15) business days of the filing of a petition or remonstrance under subdivision (4), whichever applies, containing ten thousand (10,000) signatures or less. The county auditor may take an additional five (5) days to review and certify the petition or remonstrance for each additional five thousand (5,000) signatures up to a maximum of sixty (60) days. The certificate must state the number of petitioners and remonstrators that are owners of real property within the political subdivision.

(6) If a greater number of owners of real property within the political subdivision sign a remonstrance than the number that signed a petition, the bonds petitioned for may not be issued or the lease petitioned for may not be entered into. The proper officers of the political subdivision may not make a preliminary determination to issue bonds or enter into a lease for the controlled project defeated by the petition and remonstrance process under this section or any other controlled project that is not substantially different within one (1) year after the date of the county auditor's certificate under subdivision (5). Withdrawal of a petition carries the same consequences as a defeat of the petition.

(7) After a political subdivision has gone through the petition and remonstrance process set forth in this section, the political subdivision is not required to follow any other remonstrance or objection procedures under any other law (including section 5 of this chapter) relating to bonds or leases designed to protect owners of real property within the political subdivision from the imposition of property taxes to pay debt service or lease rentals. However, the political subdivision must still receive the approval of the department of local government finance required by IC 6-1.1-18.5-8 or IC 6-1.1-19-8.

within fifteen (15) business days of the filing of the petition requesting an election on a local public question under section 3.6 of this chapter. The certificate must state the number of petitioners that are owners of real property within the political subdivision.

(c) If a sufficient petition requesting an election on a local public question under section 3.6 of this chapter is not filed by owners of real property as set forth in this section, the political subdivision may issue bonds or enter into a lease by following the provisions of law relating to the bonds to be issued or lease to be entered into.

SECTION 95. IC 6-1.1-20-3.6 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 3.6. (a) This section applies only to a controlled project that is subject to section 3.5 of this chapter.

(b) If a sufficient petition requesting an election on a local public question under this section is filed by owners of real property under section 3.5 of this chapter, a political subdivision may not impose property taxes to pay debt service or lease rentals unless the political subdivision's proposed debt service or lease rental is approved in an election on a local public question held under this section.

SECTION 96. IC 6-1.1-20-9 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 9. (a) When the proper officers of a political subdivision decide to issue bonds payable from property taxes to finance a public improvement, they shall adopt an ordinance or resolution which sets forth their determination to issue the bonds. Except as provided in subsection (b), the political subdivision may not advertise for or receive bids for the construction of the improvement until the expiration of the latter of:

- (2) An entity in which a qualified individual has a beneficial interest.

Sec. 11. Beginning with property taxes first due and payable in 2007, a qualified taxpayer may defer the due date for the part of the qualified taxpayer's homestead property tax liability permitted under this chapter.

Sec. 12. Property taxes deferred under this chapter are due and payable thirty (30) days after the date on which a deferral termination event described in section 13 of this chapter occurs.

Sec. 13. (a) Subject to subsections (b), (c), and (d), a deferral termination event occurs on the earliest of the following dates:

- (1) The first date on which none of the qualified individuals who had a qualified interest in the homestead when the property taxes were deferred:
 - (A) use the homestead as their principal place of residence; or
 - (B) have a qualified interest in the homestead.

(2) The first date on which the mortgages and liens of record on the homestead exceed the assessed value of the homestead.

(3) The date on which a person with an ownership interest in the homestead files for bankruptcy or the homestead property is placed in receivership.

(b) For purposes of subsection (a), an individual shall be treated as using a homestead as the individual's principal place of residence if the individual:

- (1) is absent from the homestead while in a health care facility (as defined in IC 16-18-2-161 or IC 16-28-13-0.5); and
- (2) used the homestead as the individual's principal place of residence immediately before being admitted to a health care facility (as defined in IC 16-18-2-161 or IC 16-28-13-0.5).

(c) The estate of a deceased individual shall be treated as having the same rights the deceased individual had immediately before the individual died to do the following:

- (1) Defer taxes that would otherwise be due and payable in the year the individual died.
- (2) Continue to defer taxes that were deferred before the individual died.

(d) This subsection applies only to a surviving spouse who was not a qualified individual on the date on which property taxes were deferred. If a deceased individual was a qualified individual on the date on which property taxes were deferred, the deceased

individual's surviving spouse shall be treated after the deceased individual's death as if the surviving spouse had been a qualified individual on the date on which property taxes were deferred if:

- (1) the homestead was the surviving spouse's principal place of residence when the deceased individual died;
- (2) the surviving spouse has a qualifying interest in the homestead not later than the later of:
 - (A) the date of the deceased individual's death; or
 - (B) the date on which the estate of the deceased individual transfers any part of the ownership of the homestead from the estate; and
- (3) the surviving spouse:
 - (A) is unmarried; or
 - (B) marries only after the surviving spouse becomes:
 - (i) at least sixty-five (65) years of age;
 - (ii) blind; or
 - (iii) a disabled person.

Sec. 14. The maximum amount that may be deferred in a year under this chapter is equal to the lesser of the following:

- (1) The amount by which the homestead property tax liability on the current assessment date exceeds the base amount for the homestead.
- (2) An amount equal to the assessed value of the homestead after subtracting the amount of all recorded mortgages and liens on the property on the date on which the property taxes would otherwise be first due and payable, excluding the lien for property taxes imposed on the current assessment date.

Sec. 15. The initial base amount for a homestead is determined as follows:

- (1) If at least one (1) individual who is a qualified individual on the current assessment date qualified as a qualified individual on the first assessment date for the homestead after January 15, 2001, the initial base amount is the lesser of the following:
 - (A) One hundred twenty-five percent (125%) of the homestead property tax liability for the first assessment date for the homestead after January 15, 2001.
 - (B) The homestead property tax liability for the first assessment date for the homestead after January 15, 2002.

- (2) If subdivision (1) does not apply, the initial base amount is the homestead property tax liability for the first assessment date for the homestead on which at least one (1) individual who is a qualified individual on the current assessment date qualified as a qualified individual.

Sec. 16. The base amount for a homestead is increased in any year in which the homestead property tax liability for the current assessment date exceeds the base amount that applied to the immediately preceding assessment date, including years occurring before calendar year 2007. The amount by which the base amount is increased under this section is equal to the amount determined under STEP SIX of the following formula:

STEP ONE: Determine the greater of zero (0) or the difference between the homestead property tax liability for the current assessment date and the base amount that applied to the immediately preceding assessment date.

STEP TWO: Determine the greater of zero (0) or the part of the STEP ONE amount, if any, that is attributable to an improvement to the homestead that is assessed for the first time on the current assessment date.

STEP THREE: Subtract the STEP TWO amount from the STEP ONE amount.

STEP FOUR: Determine the greater of the following:

- (A) Zero (0).
- (B) The STEP THREE amount.

STEP FIVE: Determine the lesser of the following:

- (A) The STEP FOUR amount.
- (B) One-tenth (0.1) of the base amount for the immediately preceding assessment date.

STEP SIX: Add the STEP TWO amount and the STEP FIVE amount.

The STEP SIX amount becomes the new base amount for subsequent assessment dates.

Sec. 17. To qualify for a deferral of homestead property tax liability in any year under this chapter, a qualified taxpayer must apply for the deferral:

- (1) on the form, in the manner, and with the information prescribed by the department of local government finance; and
- (2) before the date on which the installment being deferred is first due and payable.

The department of local government finance may provide forms allowing a qualified taxpayer to elect to defer property taxes for more than one (1) year. If the department of local government permits a multiyear election, the department of local government finance shall provide for the filing of amended forms whenever any of the information in a previously filed form ceases to be accurate or complete.

Sec. 18. An application for a deferral under this chapter must be filed with the county auditor in the county where the homestead is located. Upon the filing of an application, the county auditor shall immediately:

- (1) notify the county treasurer and transmit the information that the county treasurer needs to match the application with county treasurer's records related to the homestead; and
- (2) review the application to determine:
 - (A) whether the applicant qualifies for a deferral; and
 - (B) the amount that may be deferred.

Sec. 19. The filing of an application waives any interest and penalties that would otherwise be imposed for the nonpayment of property taxes by the due date only to the extent that the county auditor approves the application for the amount of the unpaid property taxes.

Sec. 20. If the applicant is qualified under this chapter for a deferral, the county auditor shall:

- (1) approve the deferral in the lesser of:
 - (A) the amount requested by the applicant; or
 - (B) the maximum amount that may be deferred in the year;
- (2) provide for the recording of the deferral in the office of the county recorder on the form and in the manner prescribed by the department of local government finance; and
- (3) notify the county treasurer and the department of local government finance of the amount deferred on the form and in the manner prescribed by the department of local government finance.

Sec. 21. An amount approved for deferral under this chapter for a particular year does not accrue interest until the fifth year after the amount otherwise would have been due if the amount had not been deferred. Beginning in the fifth year and on the installment date on which the amount otherwise would have been due, the deferred amount accrues interest at the rate set under IC 6-8.1-10-1 for delinquent listed taxes. The department of local government finance shall at least annually notify each county auditor of the interest rate that applies in the year to deferred property taxes. The amount of interest due shall be included in the next statement to the taxpayer mailed or transmitted under IC 6-1.1-22-8 or IC 6-1.1-22.5. The due date for the payment of interest imposed under this section is the first regular installment date after the mailing or transmission of the statement. Interest imposed under this section shall be deposited and distributed to taxing units in the same manner as interest and penalties on delinquent taxes. The nonpayment of interest due under this section shall be treated in the same manner as delinquent property taxes.

Sec. 22. Deferred property taxes may be paid at any time on or before the delayed due date established by this chapter without interest and penalties other than the interest imposed under this chapter. Payment of deferred property taxes after the delayed due date established by this chapter shall be collected in the same manner as delinquent property taxes. If a payment of deferred property taxes is made, the county treasurer shall notify the county auditor, the county recorder, and the department of local government finance on the form and in the manner prescribed by the department of local government finance. Notice to the county

recorder must be in the form of a release of the lien on the homestead for the deferred property taxes.

Sec. 23. Whenever an individual who is a qualified individual on an assessment date for which property taxes were deferred:

- (1) ceases to use the homestead as the individual's principal place of residence;
- (2) ceases to have a qualified interest in the homestead; or
- (3) changes the individual's qualified interest in the homestead;

or a surviving spouse becomes a qualified individual, a person responsible for paying the property taxes on the homestead shall notify the county auditor in the county where the homestead is located on the form and in the manner prescribed by the department of local government finance. The county auditor shall review the information filed under this section to determine whether a deferral termination event has occurred.

Sec. 24. If, as the result of the filing of information with the county auditor or on the county auditor's own motion, the county auditor determines that a deferral termination event described in section 13 of this chapter has occurred, the county auditor shall notify the county treasurer, the county recorder, and the department of local government on the form and in the manner prescribed by the department of local government finance.

Sec. 25. A county auditor shall give written notice of each determination under this chapter to the qualified taxpayers and mortgage holders of record for the affected homestead. A qualified taxpayer may appeal an adverse determination under this chapter to the Indiana board not later than forty-five (45) days after notice of the determination.

Sec. 26. The county recorder shall record the following without charge in the miscellaneous records of the county recorder:

- (1) A statement of the amount of property tax deferred under this chapter and interest imposed on the deferred property taxes.
- (2) A statement of payment of deferred property taxes and interest on deferred property taxes.
- (3) A notice of termination of a deferral.

Sec. 27. (a) Except:

- (1) as required by federal law or regulation;
- (2) if the loan from the lender:
 - (A) is made, guaranteed, or insured by a federal government lending or insuring agency; and
 - (B) requires the borrower to make payments to a lender with respect to an escrow or other type of account; or
- (3) if the application of this section would impair the obligations of a borrower under an agreement executed before April 15, 2006;

a lender may not require a borrower to maintain an escrow or other type of account with regard to taxes for which the borrower has elected to defer taxes under this chapter.

(b) Notice of a tax deferral in the records of the county recorder shall be treated as notice of a tax deferral to a lender.

(c) Any payments that are made by the borrower to an escrow or other type of account with regard to property taxes and that:

- (1) were submitted before the time of submission of evidence of tax deferral, for any period; and
- (2) have not been used in payment or partial payment of taxes;

must be refunded to the borrower within thirty (30) days after the deferral is approved and filed with the county recorder.

Sec. 28. Not later than the settlement date in the year in which property taxes are deferred under this chapter, the department of local government finance shall distribute to the county in which property taxes are deferred an amount equal to the amount of deferred property taxes not paid by the settlement date. The amount of the distribution under this section shall be deposited and distributed to taxing units in the same manner that the deferred property taxes would have been deposited and distributed.

Sec. 29. Not later than the settlement date in a year when a payment of deferred property taxes is made or deferred property taxes are collected as delinquent property taxes, the county treasurer shall transfer the amount to the department of local government finance for deposit in the state general fund.

SECTION 137. IC 6-2.5-8-1 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2008]: Sec. 1. (a) A retail merchant may not make a retail transaction in Indiana, unless ~~he~~ **the retail merchant** has applied for a registered retail merchant's certificate.

(b) A retail merchant may obtain a registered retail merchant's certificate by filing an application with the department and paying a registration fee of twenty-five dollars (\$25) for each place of business listed on the application. The retail merchant shall also provide such security for payment of the tax as the department may require under IC 6-2.5-6-12.

(c) The retail merchant shall list on the application the location (including the township) of each place of business where ~~he~~ **the retail merchant** makes retail transactions. However, if the retail merchant does not have a fixed place of business, ~~he~~ **the retail merchant** shall list ~~his~~ **the retail merchant's** residence as ~~his~~ **the retail merchant's** place of business. In addition, a public utility may list only its principal Indiana office as its place of business for sales of public utility commodities or service, but the utility must also list on the application the places of business where it makes retail transactions other than sales of public utility commodities or service.

(d) Upon receiving a proper application, the correct fee, and the security for payment, if required, the department shall issue to the retail merchant a separate registered retail merchant's certificate for each place of business listed on the application. Each certificate shall bear a serial number and the location of the place of business for which it is issued.

(e) If a retail merchant intends to make retail transactions during a calendar year at a new Indiana place of business, ~~he~~ **the retail merchant** must file a supplemental application and pay the fee for that place of business.

(f) A retail merchant engaged in business in Indiana as defined in IC 6-2.5-3-1(c) who makes retail transactions that are only subject to the use tax must obtain a registered retail merchant's certificate before making those transactions. The retail merchant may obtain the certificate by following the same procedure as a retail merchant under subsections (b) and (c), except that the retail merchant must also include on the application:

- (1) the names and addresses of the retail merchant's principal employees, agents, or representatives who engage in Indiana in the solicitation or negotiation of the retail transactions;
- (2) the location of all of the retail merchant's places of business in Indiana, including offices and distribution houses; and
- (3) any other information that the department requests.

(g) The department may permit an out-of-state retail merchant to collect the use tax. However, before the out-of-state retail merchant may collect the tax, ~~he~~ **the out-of-state retail merchant** must obtain a registered retail merchant's certificate in the manner provided by this section. Upon receiving the certificate, the out-of-state retail merchant becomes subject to the same conditions and duties as an Indiana retail merchant and must then collect the use tax due on all sales of tangible personal property that ~~he~~ **the out-of-state retail merchant** knows is intended for use in Indiana.

(h) The department shall submit to the ~~township~~ **county** assessor before July 15 of each year:

- (1) the name of each retail merchant that has newly obtained a registered retail merchant's certificate between March 2 of the preceding year and March 1 of the current year for a place of business located in the ~~township~~ **county**; and
- (2) the address of each place of business of the taxpayer in the ~~township~~ **county**.

(i) **The county assessor shall submit the names and addresses obtained under subsection (h) to the appropriate township assessor.**

SECTION 138. IC 6-3.5-6-18.5, AS AMENDED BY P.L.234-2005, SECTION 5, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2007]: Sec. 18.5. (a) This section applies to a county containing a consolidated city.

(b) Notwithstanding section 18(e) of this chapter, the distributive shares that each civil taxing unit in a county containing a consolidated city is entitled to receive during a month equals the following:

- (1) For the calendar year beginning January 1, 1995, calculate the total amount of revenues that are to be distributed as

distributive shares during that month multiplied by the following factor:

Center Township	.0251
Decatur Township	.00217
Franklin Township	.0023
Lawrence Township	.01177
Perry Township	.01130
Pike Township	.01865
Warren Township	.01359
Washington Township	.01346
Wayne Township	.01307
Lawrence-City	.00858
Beech Grove	.00845
Southport	.00025
Speedway	.00722
Indianapolis/Marion County	.86409

(2) Notwithstanding subdivision (1), for the calendar year beginning January 1, 1995, the distributive shares for each civil taxing unit in a county containing a consolidated city shall be not less than the following:

Center Township	\$1,898,145
Decatur Township	\$164,103
Franklin Township	\$173,934
Lawrence Township	\$890,086
Perry Township	\$854,544
Pike Township	\$1,410,375
Warren Township	\$1,027,721
Washington Township	\$1,017,890
Wayne Township	\$988,397
Lawrence-City	\$648,848
Beech Grove	\$639,017
Southport	\$18,906
Speedway	\$546,000

(3) For each year after 1995, calculate the total amount of revenues that are to be distributed as distributive shares during that month as follows:

STEP ONE: Determine the total amount of revenues that were distributed as distributive shares during that month in calendar year 1995.

STEP TWO: Determine the total amount of revenue that the department has certified as distributive shares for that month under section 17 of this chapter for the calendar year.

STEP THREE: Subtract the STEP ONE result from the STEP TWO result.

STEP FOUR: If the STEP THREE result is less than or equal to zero (0), multiply the STEP TWO result by the ratio established under subdivision (1).

STEP FIVE: Determine the ratio of:

- (A) the maximum permissible property tax levy under IC 6-1.1-18.5 and IC 12-19-7 ~~and IC 12-19-7.5~~ for each civil taxing unit for the calendar year in which the month falls, plus, for a county, an amount equal to the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund; divided by
- (B) the sum of the maximum permissible property tax levies under IC 6-1.1-18.5 and IC 12-19-7 ~~and IC 12-19-7.5~~ for all civil taxing units of the county during the calendar year in which the month falls, and an amount equal to the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund.

STEP SIX: If the STEP THREE result is greater than zero (0), the STEP ONE amount shall be distributed by multiplying the STEP ONE amount by the ratio established under subdivision (1).

STEP SEVEN: For each taxing unit determine the STEP FIVE ratio multiplied by the STEP TWO amount.

STEP EIGHT: For each civil taxing unit determine the difference between the STEP SEVEN amount minus the product of the STEP ONE amount multiplied by the ratio established under subdivision (1). The STEP THREE excess shall be distributed as provided in STEP NINE only to the civil taxing units that have a STEP EIGHT difference greater

than or equal to zero (0).

STEP NINE: For the civil taxing units qualifying for a distribution under STEP EIGHT, each civil taxing unit's share equals the STEP THREE excess multiplied by the ratio of:

(A) the maximum permissible property tax levy under IC 6-1.1-18.5 **and** IC 12-19-7 ~~and IC 12-19-7.5~~ for the qualifying civil taxing unit during the calendar year in which the month falls, plus, for a county, an amount equal to the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund; divided by

(B) the sum of the maximum permissible property tax levies under IC 6-1.1-18.5 **and** IC 12-19-7 ~~and IC 12-19-7.5~~ for all qualifying civil taxing units of the county during the calendar year in which the month falls, and an amount equal to the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund.

SECTION 139. IC 6-3.5-8-12 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2007]: Sec. 12. (a) If the fiscal body of a municipality in a qualifying county adopts an ordinance under section 11(a) of this chapter, the department of local government finance may not certify a budget for the municipality under IC 6-1.1-17-16(f) for the 2002 calendar year that is greater than ninety-seven percent (97%) of the budget of the municipality certified by the department for the 2001 calendar year. The department of local government finance may not certify a budget for the municipality under IC 6-1.1-17-16(f) for any later calendar year that is greater than ninety-seven percent (97%) of the budget of the municipality certified by the department for the calendar year that immediately precedes the later calendar year.

(b) If the fiscal body of a municipality in a qualifying county adopts an ordinance in a calendar year under section 11(c) of this chapter, the department of local government finance may not certify a budget for the municipality under IC 6-1.1-17-16(f) for the calendar year that immediately succeeds the calendar year in which the ordinance is adopted that is greater than ninety-seven percent (97%) of the budget of the municipality certified by the department for the calendar year in which the ordinance was adopted. The department of local government finance may not certify a budget for the municipality under IC 6-1.1-17-16(f) for any later calendar year that is greater than ninety-seven percent (97%) of the budget of the municipality certified by the department for the calendar year that immediately precedes the later calendar year.

(c) Before July 1 of 2002 and of each year thereafter, the department of local government finance shall review the budget approved for each municipality in a qualifying county in which a municipal option income tax is in effect to determine whether the restriction under subsection (a) or (b) has been applied. If the restriction has not been applied:

- (1) the municipal option income tax is rescinded as of July 1 of the year in which the review was made;
- (2) the municipality may not impose the municipal option income tax for any later year; and
- (3) the municipality is:

(A) subject to subsection (d), if the municipality adopted the municipal option income tax in 2002; or

(B) subject to subsection (e), if the municipality adopted the municipal option income tax in a year that succeeds 2002.

(d) In May 2003, the department of state revenue shall determine for each municipality subject to this subsection the amount of tax revenue collected for the municipality after August 31, 2001, and before July 1, 2002. The department of state revenue shall immediately notify the municipality of the amount determined under this subsection. Not later than thirty (30) days after receiving notification from the department of state revenue, the municipality shall transfer the amount determined by the department under this subsection from the municipality's general fund to the county family and children's fund of the qualifying county in which the municipality is located.

(e) In May 2004, and in May of each year thereafter, the department of state revenue shall determine for each municipality

subject to this subsection the amount of tax revenue collected for the municipality after June 30 of the calendar year that precedes by two (2) years the calendar year in which the determination is made and before July 1 of the year that immediately precedes the calendar year in which the determination is made. The department of state revenue shall immediately notify the municipality of the amount determined under this subsection. Not later than thirty (30) days after receiving notification from the department of state revenue, the municipality shall transfer the amount determined by the department under this section from the municipality's general fund to the ~~county family and children's child welfare~~ fund of the qualifying county in which the municipality is located.

(f) If a municipality makes a transfer from its general fund to the county's ~~family and children's child welfare~~ fund as described in subsection (d) or (e), the department of local government finance shall reduce by the amount transferred the county's maximum ~~family and children's child welfare~~ fund levy under ~~IC 6-1.1-18.6~~ **IC 12-19-7** for the calendar year that immediately succeeds the year in which the transfer is made.

(g) This subsection applies if the fiscal body of a municipality in a qualifying county adopts an ordinance under section 11 of this chapter to impose a municipal option income tax. The maximum permissible ad valorem property tax levy of the municipality is not subject to any increase under IC 6-1.1-18.5-3(a) or IC 6-1.1-18.5-3(b) for taxes payable in:

- (1) the calendar year that immediately succeeds the calendar year in which the ordinance is adopted; and
- (2) each succeeding calendar year in which the municipal option income tax remains in effect.

(h) This subsection applies if the fiscal body of a municipality in a qualifying county adopts an ordinance under section 14 of this chapter to rescind the municipal option income tax, or if the municipal option income tax in a municipality is rescinded by operation of law. For purposes of IC 6-1.1-18.5-3(a) STEP ONE or IC 6-1.1-18.5-3(b) STEP ONE, the preceding calendar year is considered to be the calendar year in which an ordinance was adopted under section 11 of this chapter to impose the municipal option income tax.

SECTION 140. IC 6-8.1-7-1 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2008]: Sec. 1. (a) This subsection does not apply to the disclosure of information concerning a conviction on a tax evasion charge. Unless in accordance with a judicial order or as otherwise provided in this chapter, the department, its employees, former employees, counsel, agents, or any other person may not divulge the amount of tax paid by any taxpayer, terms of a settlement agreement executed between a taxpayer and the department, investigation records, investigation reports, or any other information disclosed by the reports filed under the provisions of the law relating to any of the listed taxes, including required information derived from a federal return, except to:

(i) All information relating to the delinquency or evasion of the motor vehicle excise tax may be disclosed to the bureau of motor vehicles in Indiana and may be disclosed to another state, if the information is disclosed for the purpose of the enforcement and collection of the taxes imposed by IC 6-6-5.

(j) All information relating to the delinquency or evasion of commercial vehicle excise taxes payable to the bureau of motor vehicles in Indiana may be disclosed to the bureau and may be disclosed to another state, if the information is disclosed for the purpose of the enforcement and collection of the taxes imposed by IC 6-6-5.5.

(B) The total number of students enrolled in a class of school in a transferee school corporation on a date determined by the state board.

However, a kindergarten student shall be counted under clauses (A) and (B) as one-half (½) student. The state board may select a different date for counts under this subdivision. However, the same date shall be used for all school corporations making a count for the same class of school.

(b) Each transferee corporation is entitled to receive for each school year on account of each transferred student, except a student transferred under section 6 of this chapter, transfer tuition from the transferor corporation or the state as provided in this chapter. Transfer tuition equals the amount determined under STEP THREE of the following formula:

STEP ONE: Allocate to each transfer student the capital expenditures for any special equipment used by the transfer student and a proportionate share of the operating costs incurred by the transferee school for the class of school where the transfer student is enrolled.

STEP TWO: If the transferee school included the transfer student in the transferee school's ADM for a school year, allocate to the transfer student a proportionate share of the following general fund revenues of the transferee school for, except as provided in clause (C), the calendar year in which the school year ends:

(A) The following state distributions that are computed in any part using ADM or other student count in which the student is included:

- (i) Primetime grant under IC 21-1-30.
- (ii) Tuition support for basic programs.
- ~~(iii) Enrollment growth grant under IC 21-3-1.7-9.5.~~
- ~~(iv) At-risk grant under IC 21-3-1.7-9.7.~~
- ~~(v) Academic honors diploma award under IC 21-3-1.7-9.8.~~
- ~~(vi) (iv) Vocational education grant under IC 21-3-12.~~
- ~~(vii) (v) Special education grant under IC 21-3-2.1.~~
- ~~(viii) The portion of the ADA flat grant that is available for the payment of general operating expenses under IC 21-3-4.5-2(b)(1).~~

(B) Property tax levies.

(C) Excise tax revenue (as defined in IC 21-3-1.7-2) received for deposit in the calendar year in which the school year begins.

(D) Allocations to the transferee school under IC 6-3.5.

STEP THREE: Determine the greater of:

- (A) zero (0); or
- (B) the result of subtracting the STEP TWO amount from the STEP ONE amount.

If a child is placed in an institution or facility in Indiana under a court order, the institution or facility shall charge the ~~county office of the county of the student's legal settlement under IC 12-19-7~~ **department of child services** for the use of the space within the institution or facility (commonly called capital costs) that is used to provide educational services to the child based upon a prorated per student cost.

(c) Operating costs shall be determined for each class of school where a transfer student is enrolled. The operating cost for each class of school is based on the total expenditures of the transferee corporation for the class of school from its general fund expenditures as specified in the classified budget forms prescribed by the state board of accounts. This calculation excludes:

- (1) capital outlay;
- (2) debt service;

- (3) costs of transportation;
- (4) salaries of board members;
- (5) contracted service for legal expenses; and
- (6) any expenditure that is made out of the general fund from extracurricular account receipts;

for the school year.

(d) The capital cost of special equipment for a school year is equal to:

- (1) the cost of the special equipment; divided by
- (2) the product of:
 - (A) the useful life of the special equipment, as determined under the rules adopted by the state board; multiplied by
 - (B) the number of students using the special equipment during at least part of the school year.

(e) When an item of expense or cost described in subsection (c) cannot be allocated to a class of school, it shall be prorated to all classes of schools on the basis of the student enrollment of each class in the transferee corporation compared with the total student enrollment in the school corporation.

(f) Operating costs shall be allocated to a transfer student for each school year by dividing:

- (1) the transferee school corporation's operating costs for the class of school in which the transfer student is enrolled; by
- (2) the student enrollment of the class of school in which the transfer student is enrolled.

When a transferred student is enrolled in a transferee corporation for less than the full school year of student attendance, the transfer tuition shall be calculated by the part of the school year for which the transferred student is enrolled. A school year of student attendance consists of the number of days school is in session for student attendance. A student, regardless of the student's attendance, is enrolled in a transferee school unless the student is no longer entitled to be transferred because of a change of residence, the student has been excluded or expelled from school for the balance of the school year or for an indefinite period, or the student has been confirmed to have withdrawn from school. The transferor and the transferee corporation may enter into written agreements concerning the amount of transfer tuition due in any school year. If an agreement cannot be reached, the amount shall be determined by the state board, and costs may be established, when in dispute, by the state board of accounts.

(g) A transferee school shall allocate revenues described in subsection (b) STEP TWO to a transfer student by dividing:

- (1) the total amount of revenues received; by
- (2) the ADM of the transferee school for the school year that ends in the calendar year in which the revenues are received.

However, for state distributions under IC 21-1-30, IC 21-3-2.1, IC 21-3-12, or any other statute that computes the amount of a state distribution using less than the total ADM of the transferee school, the transferee school shall allocate the revenues to the transfer student by dividing the revenues that the transferee school is eligible to receive in a calendar year by the student count used to compute the state distribution.

(h) Instead of the payments provided in subsection (b), the transferor corporation or state owing transfer tuition may enter into a long term contract with the transferee corporation governing the transfer of students. The contract may:

- (1) be entered into for a period of not more than five (5) years with an option to renew;
- (2) specify a maximum number of students to be transferred; and
- (3) fix a method for determining the amount of transfer tuition and the time of payment, which may be different from that provided in section 14 of this chapter.

(i) If the school corporation can meet the requirements of ~~IC 21-1-30-5~~, **IC 21-1-30-5.5**, it may negotiate transfer tuition agreements with a neighboring school corporation that can accommodate additional students. Agreements under this section may:

- (1) be for one (1) year or longer; and
- (2) fix a method for determining the amount of transfer tuition or time of payment that is different from the method, amount, or time of payment that is provided in this section or section 14 of this chapter.

A school corporation may not transfer a student under this section

without the prior approval of the child's parent.

(j) If a school corporation experiences a net financial impact with regard to transfer tuition that is negative for a particular school year as described in IC 6-1.1-19-5.1, the school corporation may appeal for an excessive levy as provided under IC 6-1.1-19-5.1.

(o) If bonds are issued under this chapter that are payable solely or in part from revenues to the redevelopment commission from a project or projects, the redevelopment commission may adopt a resolution or trust indenture or enter into covenants as is customary in the issuance of revenue bonds. The resolution or trust indenture may pledge or assign the revenues from the project or projects, but may not convey or mortgage any project or parts of a project. The resolution or trust indenture may also contain any provisions for protecting and enforcing the rights and remedies of the bond owners as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the redevelopment commission. The redevelopment commission may establish fees and charges for the use of any project and covenant with the owners of any bonds to set those fees and charges at a rate sufficient to protect the interest of the owners of the bonds. Any revenue bonds issued by the redevelopment commission that are payable solely from revenues of the commission shall contain a statement to that effect in the form of bond.

(p) If the total principal amount of bonds authorized by a resolution of the redevelopment commission is equal to or greater than three million dollars (\$3,000,000), the bonds may not be issued without the approval, by resolution, of the legislative body of the unit.

- (11) Exercise the power of eminent domain in the name of and within the corporate boundaries of the unit subject to the same conditions and procedures that apply to the exercise of the power of eminent domain by a redevelopment commission under IC 36-7-14.
- (12) Appoint an executive director, appraisers, real estate experts, engineers, architects, surveyors, and attorneys.
- (13) Appoint clerks, guards, laborers, and other employees the authority considers advisable, except that those appointments must be made in accordance with the merit system of the unit if such a system exists.
- (14) Prescribe the duties and regulate the compensation of employees of the authority.
- (15) Provide a pension and retirement system for employees of the authority by using the public employees' retirement fund or a retirement plan approved by the United States Department of Housing and Urban Development.
- (16) Discharge and appoint successors to employees of the authority subject to subdivision (13).
- (17) Rent offices for use of the department or authority, or accept the use of offices furnished by the unit.
- (18) Equip the offices of the authority with the necessary furniture, furnishings, equipment, records, and supplies.
- (19) Design, order, contract for, and construct, reconstruct, improve, or renovate the following:
 - (A) Any local public improvement or structure that is necessary for redevelopment purposes or economic development within the corporate boundaries of the unit.
 - (B) Any structure that enhances development or economic development.
- (20) Contract for the construction, extension, or improvement of pedestrian skyways (as defined in IC 36-7-14-12.2(c)).

(21) Accept loans, grants, and other forms of financial assistance from, or contract with, the federal government, the state government, a municipal corporation, a special taxing district, a foundation, or any other source.

(22) Make and enter into all contracts and agreements necessary or incidental to the performance of the duties of the authority and the execution of the powers of the authority under this chapter.

(23) Take any action necessary to implement the purpose of the authority.

(24) Provide financial assistance, in the manner that best serves the purposes set forth in ~~section 11(b)~~ **section 11** of this chapter, including grants and loans, to enable private enterprise to develop, redevelop, and reuse military base property or otherwise enable private enterprise to provide social and economic benefits to the citizens of the unit.

(d) An authority may designate all or a portion of an economic development area created under this section as an allocation area by following the procedures set forth in IC 36-7-14-39 for the establishment of an allocation area by a redevelopment commission. The allocation provision may modify the definition of "property taxes" under IC 36-7-14-39(a) to include taxes imposed under IC 6-1.1 on the depreciable personal property located and taxable on the site of operations of designated taxpayers in accordance with the procedures applicable to a commission under IC 36-7-14-39.3. IC 36-7-14-39.3 applies to such a modification. An allocation area established by an authority under this section is a special taxing district authorized by the general assembly to enable the unit to provide special benefits to taxpayers in the allocation area by promoting economic development that is of public use and benefit. For allocation areas established for an economic development area created under this section after June 30, 1997, and to the expanded portion of an allocation area for an economic development area that was established before June 30, 1997, and that is expanded under this section after June 30, 1997, the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date, must be allocated. All of the provisions of IC 36-7-14-39, IC 36-7-14-39.1, and IC 36-7-14-39.5 apply to an allocation area created under this section, except that the authority shall be vested with the rights and duties of a commission as referenced in those sections, and except that, notwithstanding IC 36-7-14-39(b)(2), property tax proceeds paid into the allocation fund may be used by the authority only to do one (1) or more of the following:

(1) Pay the principal of and interest and redemption premium on any obligations incurred by the special taxing district or any other entity for the purpose of financing or refinancing military base reuse activities in or serving or ~~benefitting~~ *benefiting* that allocation area.

(2) Establish, augment, or restore the debt service reserve for obligations payable solely or in part from allocated tax proceeds in that allocation area or from other revenues of the authority (including lease rental revenues).

(3) Make payments on leases payable solely or in part from allocated tax proceeds in that allocation area.

(4) Reimburse any other governmental body for expenditures made by it for local public improvements or structures in or serving or ~~benefitting~~ *benefiting* that allocation area.

(5) Pay all or a portion of a property tax replacement credit to taxpayers in an allocation area as determined by the authority. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district (as defined in IC 6-1.1-1-20) that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.

STEP TWO: Divide:

(A) that part of each county's eligible property tax replacement amount (as defined in IC 6-1.1-21-2) for that year as determined under IC 6-1.1-21-4 that is attributable to the taxing district; by

(B) the STEP ONE sum.

STEP THREE: Multiply:

- (A) the STEP TWO quotient; by
- (B) the total amount of the taxpayer's taxes (as defined in IC 6-1.1-21-2) levied in the taxing district that have been allocated during that year to an allocation fund under this section.

If not all the taxpayers in an allocation area receive the credit in full, each taxpayer in the allocation area is entitled to receive the same proportion of the credit. A taxpayer may not receive a credit under this section and a credit under IC 36-7-14-39.5 in the same year.

(6) Pay expenses incurred by the authority for local public improvements or structures that are in the allocation area or serving or benefiting the allocation area.

(7) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

- (A) in the allocation area; and
- (B) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in clause (B). The reimbursements under this subdivision must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made. The allocation fund may not be used for operating expenses of the authority.

(e) In addition to other methods of raising money for property acquisition, redevelopment, or economic development activities in or directly serving or benefitting an economic development area created by an authority under this section, and in anticipation of the taxes allocated under subsection (d), other revenues of the authority, or any combination of these sources, the authority may, by resolution, issue the bonds of the special taxing district in the name of the unit. Bonds issued under this section may be issued in any amount without limitation. The following apply if such a resolution is adopted:

- (1) The authority shall certify a copy of the resolution authorizing the bonds to the municipal or county fiscal officer, who shall then prepare the bonds. The seal of the unit must be impressed on the bonds, or a facsimile of the seal must be printed on the bonds.
- (2) The bonds must be executed by the appropriate officer of the unit and attested by the unit's fiscal officer.
- (3) The bonds are exempt from taxation for all purposes.
- (4) Bonds issued under this section may be sold at public sale in accordance with IC 5-1-11 or at a negotiated sale.
- (5) The bonds are not a corporate obligation of the unit but are an indebtedness of the taxing district. The bonds and interest are payable, as set forth in the bond resolution of the authority:
 - (A) from the tax proceeds allocated under subsection (d);
 - (B) from other revenues available to the authority; or
 - (C) from a combination of the methods stated in clauses (A) and (B).
- (6) Proceeds from the sale of bonds may be used to pay the cost of interest on the bonds for a period not to exceed five (5) years from the date of issuance.
- (7) Laws relating to:
 - (A) the filing of petitions requesting the issuance of bonds; and
 - (B) the right of taxpayers to:
 - (i) remonstrate against the issuance of bonds; or
 - (ii) **vote on the proposed issuance in an election on a local public question;**

do not apply to bonds issued under this section.

(8) If a debt service reserve is created from the proceeds of bonds, the debt service reserve may be used to pay principal and interest on the bonds as provided in the bond resolution.

(9) If bonds are issued under this chapter that are payable solely or in part from revenues to the authority from a project or projects, the authority may adopt a resolution or trust indenture or enter into covenants as is customary in the issuance of revenue bonds. The resolution or trust indenture may pledge or

assign the revenues from the project or projects. The resolution or trust indenture may also contain any provisions for protecting and enforcing the rights and remedies of the bond owners as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the authority. The authority may establish fees and charges for the use of any project and covenant with the owners of any bonds to set those fees and charges at a rate sufficient to protect the interest of the owners of the bonds. Any revenue bonds issued by the authority that are payable solely from revenues of the authority shall contain a statement to that effect in the form of bond.

(f) Notwithstanding section 8(a) of this chapter, an ordinance adopted under ~~section 11(b)~~ **section 11** of this chapter may provide, or be amended to provide, that the board of directors of the authority shall be composed of not fewer than three (3) nor more than ~~seven (7)~~ **eleven (11)** members, who must be residents of the unit appointed by the executive of the unit.

(g) The acquisition of real and personal property by an authority under this section is not subject to the provisions of IC 5-22, IC 36-1-10.5, IC 36-7-14-19, or any other statutes governing the purchase of property by public bodies or their agencies.

(h) An authority may negotiate for the sale, lease, or other disposition of real and personal property without complying with the provisions of IC 5-22-22, IC 36-1-11, IC 36-7-14-22, or any other statute governing the disposition of public property.

(i) Notwithstanding any other law, utility services provided within an economic development area established under this section are subject to regulation by the appropriate regulatory agencies unless the utility service is provided by a utility that provides utility service solely within the geographic boundaries of an existing or a closed military installation, in which case the utility service is not subject to regulation for purposes of rate making, regulation, service delivery, or issuance of bonds or other forms of indebtedness. However, this exemption from regulation does not apply to utility service if the service is generated, treated, or produced outside the boundaries of the existing or closed military installation.

SECTION 263. IC 36-7-15.1-17, AS AMENDED BY P.L.185-2005, SECTION 34, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 17. (a) In addition to other methods of raising money for property acquisition or redevelopment in a redevelopment project area, and in anticipation of the special tax to be levied under section 19 of this chapter, the taxes allocated under section 26 of this chapter, or other revenues of the redevelopment district, the commission may, by resolution, issue the bonds of the redevelopment district in the name of the consolidated city and in accordance with IC 36-3-5-8. The amount of the bonds may not exceed the total, as estimated by the commission, of all expenses reasonably incurred in connection with the acquisition and redevelopment of the property, including:

- (1) the total cost of all land, rights-of-way, and other property to be acquired and redeveloped;
- (2) all reasonable and necessary architectural, engineering, legal, financing, accounting, advertising, bond discount, and supervisory expenses related to the acquisition and redevelopment of the property or the issuance of bonds;
- (3) capitalized interest permitted in this chapter and a debt service reserve for the bonds, to the extent that the redevelopment commission determines that a reserve is reasonably required;
- (4) the total cost of all clearing and construction work provided for in the resolution; and
- (5) expenses that the commission is required or permitted to pay under IC 8-23-17.

(b) If the commission plans to acquire different parcels of land or let different contracts for redevelopment work at approximately the same time, whether under one (1) or more resolutions, the commission may provide for the total cost in one (1) issue of bonds.

(c) The bonds must be dated as set forth in the bond resolution and negotiable subject to the requirements of the bond resolution for the registration of the bonds. The resolution authorizing the bonds must state:

- (1) the denominations of the bonds;
- (2) the place or places at which the bonds are payable; and

(3) the term of the bonds, which may not exceed fifty (50) years. The resolution may also state that the bonds are redeemable before maturity with or without a premium, as determined by the commission.

(d) The commission shall certify a copy of the resolution authorizing the bonds to the fiscal officer of the consolidated city, who shall then prepare the bonds. The seal of the unit must be impressed on the bonds, or a facsimile of the seal must be printed on the bonds.

(e) The bonds shall be executed by the city executive and attested by the fiscal officer. The interest coupons, if any, shall be executed by the facsimile signature of the fiscal officer.

(f) The bonds are exempt from taxation as provided by IC 6-8-5.

(g) The city fiscal officer shall sell the bonds according to law. Notwithstanding IC 36-3-5-8, bonds payable solely or in part from tax proceeds allocated under section 26(b)(2) of this chapter or other revenues of the district may be sold at private negotiated sale and at a price or prices not less than ninety-seven percent (97%) of the par value.

(h) The bonds are not a corporate obligation of the city but are an indebtedness of the redevelopment district. The bonds and interest are payable:

- (1) from a special tax levied upon all of the property in the redevelopment district, as provided by section 19 of this chapter;
- (2) from the tax proceeds allocated under section 26(b)(2) of this chapter;
- (3) from other revenues available to the commission; or
- (4) from a combination of the methods stated in subdivisions (1) through (3);

and from any revenues of the designated project. If the bonds are payable solely from the tax proceeds allocated under section 26(b)(2) of this chapter, other revenues of the redevelopment commission, or any combination of these sources, they may be issued in any amount without limitation.

(i) Proceeds from the sale of the bonds may be used to pay the cost of interest on the bonds for a period not to exceed five (5) years from the date of issue.

(j) Notwithstanding IC 36-3-5-8, the laws relating to:

- (1) the filing of petitions requesting the issuance of bonds; and
- (2) the right of taxpayers to:

(A) remonstrate against the issuance of bonds; or

(B) vote on the proposed issuance in an election on a local public question;

applicable to bonds issued under this chapter do not apply to bonds payable solely or in part from tax proceeds allocated under section 26(b)(2) of this chapter, other revenues of the commission, or any combination of these sources.

(k) If bonds are issued under this chapter that are payable solely or in part from revenues to the commission from a project or projects, the commission may adopt a resolution or trust indenture or enter into covenants as is customary in the issuance of revenue bonds. The resolution or trust indenture may pledge or assign the revenues from the project or projects, but may not convey or mortgage any project or parts of a project. The resolution or trust indenture may also contain any provisions for protecting and enforcing the rights and remedies of the bond owners as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the commission. The commission may establish fees and charges for the use of any project and covenant with the owners of any bonds to set those fees and charges at a rate sufficient to protect the interest of the owners of the bonds. Any revenue bonds issued by the commission that are payable solely from revenues of the commission must contain a statement to that effect in the form of bond.

SECTION 264. IC 36-7-15.1-26.9 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2007]: Sec. 26.9. (a) The definitions set forth in section 26.5 of this chapter apply to this section.

(b) The fiscal officer of the consolidated city shall publish in the newspaper in the county with the largest circulation all determinations made under section 26.5 or 26.7 of this chapter that result in the allowance or disallowance of credits. The publication of a determination made under section 26.5 of this chapter shall be made

not later than June 20 of the year in which the determination is made. The publication of a determination made under section 26.7 of this chapter shall be made not later than December 5 of the year in which the determination is made.

(c) If credits are granted under section 26.5(g) or 26.5(h) of this chapter, whether in whole or in part, property taxes on personal property (as defined in IC 6-1.1-1-11) that are equal to the aggregate amounts of the credits for all taxpayers in the allocation area under section 26.5(g) and 26.5(h) of this chapter shall be:

- (1) allocated to the redevelopment district;
- (2) paid into the special fund for that allocation area; and
- (3) used for the purposes specified in section 26 of this chapter.

(d) The county auditor shall adjust the estimate of assessed valuation that the auditor certifies under IC 6-1.1-17-1 for all taxing units in which the allocation area is located. ~~The county auditor may amend this adjustment at any time before the earliest date a taxing unit must publish the unit's proposed property tax rate under IC 6-1.1-17-3 in the year preceding the year in which the credits under section 26.5(g) or 26.5(h) of this chapter are paid.~~ The auditor's adjustment to the assessed valuation shall be:

- (1) calculated to produce an estimated assessed valuation that will offset the effect that paying personal property taxes into the allocation area special fund under subsection (c) would otherwise have on the ability of a taxing unit to achieve the taxing unit's tax levy in the following year; and
- (2) used by the county board of tax adjustment, the department of local government finance, and each taxing unit in determining each taxing unit's tax rate and tax levy in the following year.

(e) The amount by which a taxing unit's levy is adjusted as a result of the county auditor's adjustment of assessed valuation under subsection (d), and the amount of the levy that is used to make direct payments to taxpayers under section 26.5(h) of this chapter, is not part of the total county tax levy under IC 6-1.1-21-2(g) and is not subject to IC 6-1.1-20.

(f) The ad valorem property tax levy limits imposed by IC 6-1.1-18.5-3 and IC 6-1.1-19-1.5 do not apply to ad valorem property taxes imposed that are used to offset the effect of paying personal property taxes into an allocation area special fund during the taxable year under subsection (d) or to make direct payments to taxpayers under section 26.5(h) of this chapter. For purposes of computing the ad valorem property tax levy limits imposed under IC 6-1.1-18.5-3 and IC 6-1.1-19-1.5, a taxing unit's ad valorem property tax levy for a particular calendar year does not include that part of the levy imposed to offset the effect of paying personal property taxes into an allocation area special fund under subsection (d) or to make direct payments to taxpayers under section 26.5(h) of this chapter.

(g) Property taxes on personal property that are deposited in the allocation area special fund:

- (1) are subject to any pledge of allocated property tax proceeds made by the redevelopment district under section 26(d) of this chapter, including but not limited to any pledge made to owners of outstanding bonds of the redevelopment district of allocated taxes from that area; and
- (2) may not be treated as property taxes used to pay interest or principal due on debt under IC 6-1.1-21-2(g)(1)(D).

SECTION 265. IC 36-7-15.1-32 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2008]: Sec. 32. (a) The commission must establish a program for housing. The program, which may include such elements as the commission considers appropriate, must be adopted as part of a redevelopment plan or amendment to a redevelopment plan, and must establish an allocation area for purposes of sections 26 and 35 of this chapter for the accomplishment of the program.

(b) The notice and hearing provisions of sections 10 and 10.5 of this chapter apply to the resolution adopted under subsection (a). Judicial review of the resolution may be made under section 11 of this chapter.

(c) Before formal submission of any housing program to the commission, the department shall consult with persons interested in or affected by the proposed program and provide the affected neighborhood associations, residents, ~~and~~ township assessors, ~~and~~

county assessors with an adequate opportunity to participate in an advisory role in planning, implementing, and evaluating the proposed program. The department may hold public meetings in the affected neighborhood to obtain the views of neighborhood associations and residents.

(a) In addition to other methods of raising money for property acquisition or redevelopment in a redevelopment project area, and in anticipation of the special tax to be levied under section 50 of this chapter, the taxes allocated under section 53 of this chapter, or other revenues of the redevelopment district, a commission may, by resolution, issue the bonds of its redevelopment district in the name of the excluded city. The amount of the bonds may not exceed the total, as estimated by the commission, of all expenses reasonably incurred in connection with the acquisition and redevelopment of the property, including:

- (1) the total cost of all land, rights-of-way, and other property to be acquired and redeveloped;
- (2) all reasonable and necessary architectural, engineering, legal, financing, accounting, advertising, bond discount, and supervisory expenses related to the acquisition and redevelopment of the property or the issuance of bonds;
- (3) capitalized interest permitted in this chapter and a debt service reserve for the bonds, to the extent that the redevelopment commission determines that a reserve is reasonably required;
- (4) the total cost of all clearing and construction work provided for in the resolution; and

(b) If a commission plans to acquire different parcels of land or let different contracts for redevelopment work at approximately the same time, whether under one (1) or more resolutions, a commission may provide for the total cost in one (1) issue of bonds.

(c) The bonds must be dated as set forth in the bond resolution and negotiable subject to the requirements concerning registration of the bonds. The resolution authorizing the bonds must state:

- (1) the denominations of the bonds;
- (2) the place or places at which the bonds are payable; and
- (3) the term of the bonds, which may not exceed fifty (50) years.

The resolution may also state that the bonds are redeemable before maturity with or without a premium, as determined by the commission.

(d) The commission shall certify a copy of the resolution authorizing the bonds to the fiscal officer of the excluded city, who shall then prepare the bonds. The seal of the unit must be impressed on the bonds, or a facsimile of the seal must be printed on the bonds.

(e) The bonds shall be executed by the excluded city executive and attested by the excluded city fiscal officer. The interest coupons, if any, shall be executed by the facsimile signature of the excluded city fiscal officer.

(f) The bonds are exempt from taxation as provided by IC 6-8-5.

(g) The excluded city fiscal officer shall sell the bonds according to law. Bonds payable solely or in part from tax proceeds allocated under section 53(b)(2) of this chapter or other revenues of the district may be sold at private negotiated sale and at a price or prices not less than ninety-seven percent (97%) of the par value.

(h) The bonds are not a corporate obligation of the excluded city but are an indebtedness of the redevelopment district. The bonds and interest are payable:

- (1) from a special tax levied upon all of the property in the redevelopment district, as provided by section 50 of this chapter;
- (2) from the tax proceeds allocated under section 53(b)(2) of this chapter;
- (3) from other revenues available to the commission; or
- (4) from a combination of the methods described in subdivisions (1) through (3);

and from any revenues of the designated project. If the bonds are payable solely from the tax proceeds allocated under section 53(b)(2) of this chapter, other revenues of the redevelopment commission, or any combination of these sources, they may be issued in any amount

without limitation.

(i) Proceeds from the sale of the bonds may be used to pay the cost of interest on the bonds for a period not to exceed five (5) years from the date of issue.

(j) The laws relating to:

- (1) the filing of petitions requesting the issuance of bonds; and
- (2) the right of taxpayers to:

(A) remonstrate against the issuance of bonds applicable to bonds issued under this chapter; or

(B) vote on the proposed issuance in an election on a local public question;

do not apply to bonds payable solely or in part from tax proceeds allocated under section 53(b)(2) of this chapter, other revenues of the commission, or any combination of these sources.

(k) If bonds are issued under this chapter that are payable solely or in part from revenues to a commission from a project or projects, a commission may adopt a resolution or trust indenture or enter into covenants as is customary in the issuance of revenue bonds. The resolution or trust indenture may pledge or assign the revenues from the project or projects but may not convey or mortgage any project or parts of a project. The resolution or trust indenture may also contain any provisions for protecting and enforcing the rights and remedies of the bond owners as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the commission. The commission may establish fees and charges for the use of any project and covenant with the owners of bonds to set those fees and charges at a rate sufficient to protect the interest of the owners of the bonds. Any revenue bonds issued by the commission that are payable solely from revenues of the commission must contain a statement to that effect in the form of bond.

The certificate of the board must specifically describe the real property, including air rights, and the purpose for which acquired.

SECTION 272. IC 36-10-3-24 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 24. The bonds may not exceed in amount the total cost of all land to be acquired and all improvements described in the resolution, including all expenses necessarily incurred in connection with the proceedings, together with a sum sufficient to pay the costs of supervision and inspection during the period of construction of a work. The expenses to be covered in the bond issue include all expenses of every kind actually incurred preliminary to acquiring the land and the construction of the work, such as the cost of the necessary record, engineering expenses, publication of notices, preparation of bonds, and other necessary expenses. (b) The bonds may be issued in any denomination not less than one thousand dollars (\$1,000) each, in not less than five (5) nor more than forty (40) annual series. The bonds are payable one (1) series each year, beginning at a date after the receipt of taxes from a levy made for that purpose. The bonds are negotiable. All bonds or obligations issued in violation of this subsection are void. The bonds are not obligations or indebtedness of the unit, but constitute an indebtedness of the district as a special taxing district. The bonds and interest are payable only out of a special tax levied upon all the property of the district as prescribed by this chapter. The bonds must recite the terms upon their face, together with the purposes for which they are issued.

(j) The board may, instead of selling the bonds in series, sell the bonds to run for a period of five (5) years from the date of issue for the purposes of this chapter at any rate of interest payable semiannually, also exempt from taxation for all purposes. The board may sell bonds in series to refund the five (5) year bonds.

SECTION 285. [EFFECTIVE JANUARY 1, 2008] (a) Each township trustee assessor shall organize the records of the township trustee assessor's office relating to the assessment of tangible property in a manner prescribed by the department of local government finance and transfer the records to the county assessor as directed by the department of local government finance. The department of local government finance shall determine a procedure and schedule for the transfer of each of the township trustee assessor's office records and operations to the county assessor before January 1, 2008. Each township trustee assessor of a county and the county assessor shall assist each other and coordinate their efforts to ensure an orderly transfer of all township trustee assessor records to the county assessor and to provide for an uninterrupted and professional transition of the property assessment functions from the township trustee assessor to the county assessor consistent with the directions of the department of local government finance and this act.

(b) This SECTION expires January 1, 2008.

SECTION 286. [EFFECTIVE JANUARY 1, 2008] (a) This act does not affect any assessment, assessment appeal, or other official action of a township trustee assessor made before January 1, 2008. Any assessment, assessment appeal, or other official action of a township trustee assessor made within the scope of the

township trustee assessor's official duties under IC 6-1.1 or IC 36-6-5 before January 1, 2008, is considered as having been made by the county assessor.

(b) This act does not affect any pending action against, or the rights of any party that may possess a legal claim against, a township trustee assessor that is not described in subsection (a).

(c) This SECTION expires January 1, 2008.

SECTION 287. [EFFECTIVE JANUARY 1, 2008] (a) The legislative services agency shall prepare legislation for introduction in the 2008 regular session of the general assembly to correct statutes affected by this act.

(b) This SECTION expires July 1, 2008.

SECTION 288. [EFFECTIVE UPON PASSAGE] (a) The definitions in IC 6-1.1-1, IC 6-1.1-20.9, and IC 6-1.1-21 apply throughout this SECTION.

(b) A taxpayer that is eligible for a homestead credit under IC 6-1.1-20.9 in 2006 is eligible for an additional child welfare relief credit under this SECTION in 2006. The amount of the additional child welfare relief credit to which the taxpayer is entitled equals the product of:

- (1) twelve percent (12%); multiplied by
- (2) the amount of the individual's property tax liability, as that term is defined in IC 6-1.1-21-5, which is:
 - (A) attributable to the homestead during the particular calendar year; and
 - (B) determined after the application of the property tax replacement credit under IC 6-1.1-21.

(c) A county auditor:

- (1) may apply the entire amount of the additional child welfare relief credit granted by this SECTION equally to all installments of property taxes first due from the taxpayer in 2006; or
- (2) if application of the credit to the first installment would delay the delivery of tax statements more than thirty (30) days after the date that the tax statements would otherwise be mailed or transmitted, may issue revised tax statements and apply the entire credit to the property tax due in a later installment.

IC 6-1.1-22.5-6 does not apply to a delay in the delivery of an abstract described in subdivision (2). The department of local government finance may prescribe procedures to apply the additional child welfare relief credit to tax statements. A county auditor shall comply with the procedures prescribed under this subsection.

(d) The property tax replacement fund board shall provide for an additional distribution to taxing units from the property tax replacement fund to replace revenue lost to a county as the result of the granting of additional child welfare relief credits under this SECTION. The distribution shall be made on the schedule determined by the property tax replacement fund board. To the extent possible, the property tax replacement fund board shall make distributions under this subsection at the same time distributions of homestead credits and other property tax replacement credits are made. A distribution under this subsection is not subject to any law limiting the maximum amount that may be distributed under IC 6-1.1-21. The amount distributed under this subsection is not included in the amount used to determine the minimum amount that must be distributed or maximum distribution that may not be exceeded under IC 6-1.1-21.

(e) This subsection applies to a taxpayer in an allocation area that would be eligible for an additional credit under any of the following:

- (1) IC 8-22-3.5-10.
- (2) IC 36-7-14-39.5.
- (3) IC 36-7-15.1-26.5.
- (4) IC 36-7-15.1-35.
- (5) IC 36-7-15.1-56.
- (6) IC 36-7-30-27.
- (7) IC 36-7-30.5-32.
- (8) IC 36-7-32-18.

As used in this subsection, "designating body" refers to the governing body permitted to reduce an additional credit otherwise granted in an allocation area to which a provision

described in subdivision (1) through (8) applies. Subject to this subsection, a taxpayer that is entitled to an additional credit on the taxpayer's homestead in an allocation area is entitled to a supplemental credit under this subsection. The amount of the supplemental credit is equal to the amount necessary to give the taxpayer the same total credit that the taxpayer would have received if the taxpayer's tangible property were not located in an allocation area. The supplemental credit reduces the amount of proceeds allocated to the district where the allocation area is located and paid into an allocation fund. A designating body may reduce the amount of the supplemental credits granted in an allocation area in the same manner and for the same reasons that the designating body is permitted to reduce an additional credit in the allocation area. The department of local government finance may prescribe procedures to use to apply a supplemental credit to tangible property in an allocation area. A county auditor shall comply with the procedures prescribed under this subsection.

(f) This SECTION expires January 1, 2007.

SECTION 289. [EFFECTIVE UPON PASSAGE] (a) The following, both as added by this act, apply only to property taxes first due and payable after December 31, 2006:

Whereas, From its creation, the school began establishing unheard of precedents, including admitting women on an equal basis with men, admitting students representing minorities, and allowing students, with parental consent, to choose subjects suited to their needs under a new "elective" system;

Whereas, Butler University also appointed Catharine Merrill as Demia Butler professor, and she became the first female professor of English literature in Indiana in 1870, making Butler the first in the nation to establish an endowed chair specifically for a female professor and only the second university to appoint a woman to the faculty;

Whereas, In 1875, the board of directors sold the downtown campus and moved the campus to Irvington;

Whereas, In 1879 the school became known as Butler University in honor of Ovid Butler, a prominent Indianapolis attorney and abolitionist who wrote the university's charter in 1850;

Whereas, Butler University continued to grow, adding the College of Education in 1930, the College of Business Administration in 1937, the College of Pharmacy in 1945, and the Jordan College of Music in 1951;

Whereas, To keep up with the growing needs of the academic community, Butler began offering evening courses in 1899, established a summer session in 1905, and created a graduate division in 1932; and

Whereas, Butler University will continue to grow on the solid foundation laid by its founders in 1855 and will continue to offer visionary ideas and innovative academic concepts to its students: Therefore,

Whereas, In 1881, Richmond became the "Rose City" when E.G. Hill and his father, Joseph, began a general floral catalogue business that eventually became one of the world's largest producers of roses;

Whereas, By the early 20th century, Richmond had grown steadily in size, accomplishment, and confidence;

Whereas, Products manufactured such as Starr pianos, a variety of motor vehicles, McGuire lawnmowers, Gennett recordings, and Hill roses found world markets;

Whereas, A tragic explosion in 1968, which took 41 lives and did \$15,000,000 in damages, brought determined city leaders, merchants, and citizens together to create a new sense of community and a new downtown;

Whereas, Richmond is considered the Eastern Gateway of Indiana and, because of its ideal location along Interstate 70 on the border of Indiana and Ohio, has continued to offer its residents many great cultural, educational, and economic opportunities; and
